RIF  RAF (Riders into Fitness, Recreation and Fun) – Look for this symbol, which identifies rides and events screened to include clear directions and/or well marked routes, and a 'pack at the back' whose goal is to support and encourage each other. Great for newer riders! NOTE: These may not be easy rides—refer to the difficulty ratings (#1, #2, #3, etc). They will be opportunities for improvement, exercise and friendship at a relaxed pace. For more information on this program, contact Lewis Miller at 897-9198.
